TELL US ABOUT BECKY'S BACKGROUND

Becky joined us in 2008 as a junior receptionist, having previously worked as a receptionist at a leading car showroom. She has since become a priceless member of the team.

WHAT ABOUT HER KEY ACHIEVEMENTS TO DATE?

She was awarded the first PHAB (Performance in Hair and Beauty) standard in Kent. She also completed a 'fab receptionist' course and was twice awarded team player of the year.

WHAT SETS HER APART?

Becky has a talent for making people feel valued and welcome that is rare for someone so young. She does this effortlessly and is continuously praised by customers for it.

WHERE WILL HER CAREER TAKE HER?

I can see Becky becoming Business Manager at The Gallery or running her own salon. She is educating the reception team about amazing customer service and making people feel special.

AND WHEN SHE'S NOT AT THE SALON?

Becky's time outside work is spent working on her house in West Malling where she lives with her dog Benson and fiancée Chris. She also enjoys going to the gym.
